“ Dear Janice, We watched the video memorial and it is wonderful...we enjoyed seeing the baby pictures and all the family...So sorry I could not come, my heart is with you. If I was at myself, we would have come down but our health wouldn't allow it at this time. I hope we get to come see you in the near future. God is with you and with that, we take comfort.

“ Sincere sympathy to all at this time of grief. Because of my concern for people, I want to share with some comforting news found in the Bible at John 5:28&29 Jesus Christ assures us that everyone in the memorial tombs will hear his voice and come out. In addition Jehovah God has promised obedient mankind at Revelation 21:1-5 that very soon pain, sickness and even death will be no more. This is because according to 1 John 4:8, "God is love."
