“ I know it has been over a year since Hershell (TEX) has passed away but for some reason he has been on my mine lately. We were stationed together in Germany on the same shift during the 26 months I was in Germany. We had less than ten transcribers on our shifts so we were a close knit group. Even after work, we mostly hung around together. I have a lot of memories from that time that will never be forgotten. Miss Tex and all the others that have passed on but not forgotten. You would have to have been there to understand all of us in the group and the life we lived. I had to express my feelings for some reason.

“ Saddened to learn of Hershel’s passing. He was a part of so many of my happiest memories; Birthdays, Christmases, Jacob’s birth, and visits to Nana and Papa’s. (I still have the train Papa built for Jacob in my basement). Hershel opened his heart and life to me, I’m blessed God allowed him to be a special part of my journey.
