“*Darrell was a music jam friend of mine. He always had his songs ready and was anxious to start jamming. He would say "I bet you haven't heard this one" and sometime he was right. He was quiet but friendly. I miss him.*

“ Sweet memories have flooded my mind for the past few days. Darrell was such a sweet and kind brother. His talent of woodworking, art and music amazed me. He was always willing to help me and my boys in their early years. He was a pretty quiet guy, but could be a jokester occasionally. I love you brother and you will be missed.
