“Woody and Gene were my backdoor neighbors when I started teaching at Southern Baptist College -- now Williams Baptist College. There were times when she traveled back to Texas with me when I went to visit my brother who lived in South Houston. Henderson was a good point to stop and rest before continuing my trip. I enjoyed knowing and working with them all of the time they stayed at the college. I still teach at the college.

I had the honor and privilege of knowing "Gene" and Woody Behannon for 60 plus years and sharing pleasant opportunities to spend time with them: When Woody lived in our home in Fr. Worth while Jean taught school in Kerens. Woody and I were fellow students at the Seminary. Later when they both were at Southern Baptist College In Arkansas, and for years now in Henderson. Visited and prayed with Jean many time in their home in Henderson after Woody's passing Jean was a wonderful human being, serious Christian, and dedicated teacher Will be missed.
