“ Dewayne, Camille and families I'm so sorry for your loss of Mrs Whitehead. I worked 10 years at Northside never once heard her speak above a whisper. She always was a gentle person and teacher.

Camille, my heart hurts for you, knowing when we loose our loved ones nothing is ever the same. Use the lessons she taught you to teach your children and grandchildren how to carry on when others leave

here and how to be appreciative of Gods love for us and what it means to be a child of Gods to know to accept Christ and how to look forward to the days of being together in Heaven once again.

Our deepest sympathies,

“ John and I are praying for all your family during this time of loss. I was privileged to get to know Inell when we both taught at Northside. Her sweet smile and loving spirit were gifts she shared freely with family, friends, and students. I pray that your tears of sadness will have a good mix of tears of happy memories in the days ahead.

“ Camille, Dwain, Judson and family I am so sorry to hear of the passing of Inell. She became my mentor for a new reading program when I began teaching at Central. We developed a long lasting friendship as co-workers at that time. Little did I know that we would also share family in the years that progressed. She was always an elegant lady in my eyes. Much love, hugs and prayers for you during this difficult time.

“ *I taught with Inell at Northside for several yrs until she retired. She was always soft spoken and had great classroom management and discipline. When my husband died suddenly right before school started, Inell stepped out of retirement to start the school year with my class. It helped me more than she ever knew. I knew my kids were in good hands and I didn't have to worry. I know she has struggled with her health the past several yrs and I know that she is now without pain and sickness sitting at the feet of Jesus. 🙏🙏🙏 for her family*
