“ Pat, So sorry to hear of your mom's passing. It is such a difficult time. Been a long time since we rode that yellow school bus all the way to school from out the middle of nowhere! Thinking of you.

“ Sincere sympathy Pat in the loss of Mrs. Inez. I missed her around the Overton area and didn't know about her. I saw her obituary in the paper this morning. I always enjoyed talking to her. I will tell Rosie. Please email me. Cordially yours, Jackie

“ My condolences on the passing of your mother Inez. I also am from this 'Warren' family of Henderson (through Uriah G Warren and wife Kit's son Roy Warren) who was William 'Arthur' Warrens brother. I am a family historian and have done all the genealogy on this Warren family and collected many many old photographs of them all. If any of you would be interested in having this legacy on the Warren family of Henderson, please feel free to contact me.
