“ *My Mother-In-Law was one of the best around! She always was there for everyone even if she didn't know you! My Favorite memory was going on my days of at work and working in Taco stand with her! She always had good advice and let you know it would be ok! I'm going to miss you so much! But this is not goodbye it's see ya later!*

“ I loved your Mom (Georgina) so much, she always brought smiles to all the hearts she touched. I will never forget the first time we met, we hit it off right away! She said come over to my house, and she made sure I went straight to her house. We talked for hours, the night came, she made sure I stayed at your home. She went out of her way to see us be very comfortable everyday and everytime we visited. She was so bubbly, friendly, easy to get along with! She had the BIGGEST HEART! I will miss her cooking too! All the Fourth of July gatherings, our kids always having fun visiting every year, the fire works!! I LOVED CALLING HER BY HER NAME "GEORGINA," and hearing her talk. She had a funny accent, i'd tell her, she always had a Great Smile for me!! Every visit to your home, Mom (Georgina) made me feel like her Special Friend! I will remember her at all the jobs I visited her at, the plant nursery, Cotton Patch, and she was telling me about her taco stand a couple of weeks ago and she made sure I had every telephone number of hers, there was no way I could miss not talking with her. Mom was the hardest worker I had ever met, she was always on the go! SHE LOVED ALL YOU KIDS, her Joey, Andrea, Edgar and of course her husband Andres, and SHE LOVED PEOPLE!! And I know that she touched a lot of hearts, Especially Mine! I will miss her DEEPLY!! God show my Special Friend Georgina her special room in Heaven!
