

Mr. Jack R. Hale

February 27, 1945 - April 20, 2022

Jack Riley Hale was born in Houston, Texas on February 27, 1945 and left this earth for his heavenly home on April 20, 2022. In those 77 years, Jack never strayed from the solid Christian upbringing instilled by his parents, Errette Morgan Hale and Vivian Dudley Hale. Before Jack was two years old, the Hale family moved to Henderson where Jack attended school all twelve years, graduating from Henderson High School in 1963. While at HHS, he participated in basketball, track, band, mixed chorus, was Best All-Round Nominee and selected as Who's Who in Mathematics.

He continued his education at Kilgore College and the University of North Texas graduating in 1967 with a Bachelor of Science Degree and later received a Master of Education from the University of Houston. He also earned his administrator certification from Stephen F. Austin.

On August 20, 1967, Jack married Paula Propes Hale, his high school sweetheart; and they began a life together of service to young people through education. Jack taught math and coached in Brazosport ISD for 9 years before returning to East Texas and settling in White Oak in 1976. While at White Oak, Jack served as high school counselor, elementary principal, curriculum director, superintendent, and closed out his 41 years at White Oak ISD as high school counselor for the second time because he wanted to work with the students.

While at White Oak, Jack epitomized what it means to be a Roughneck. He was a yell leader at pep rallies and attended as many programs and activities as possible to support the students.

Due to his overwhelming love and work for the school, the choral music building was named in his honor in October of 2008. In the fall of 2019, he received an oil derrick dedication for his service to the school and community.

In addition to his work in the field of education, Jack was known for his faithfulness to God and service to his church. He was active in the music ministry at White Oak Baptist Church for many years and the past eight years he has regularly attended Pine Tree Church of Christ. His two strokes on April 8 were a shock to everyone, but were perhaps God's merciful way of protecting him from the pain that was expected with prolonged cancer.

Beyond all of his professional and Christian areas of service, Jack's love for his family was his most obvious testimony to all who knew him. In their 54 years of marriage, he and Paula have been loving parents to Jarrett Hale (Cynthia) of Rockwall, Jeffrey Hale (Marsha) of Dallas, Justin Hale (Robin) of St. Louis, and Jaxon and Dex Hale of White Oak. He was also a proud grandfather (Pops) to Olivia, Casey, Kathryn, Jane, and Cody Jack Hale. In addition, he is survived by his brother Jerry Hale (Toni) of Henderson, niece Marla Sullivan (Mike) of Hallsville, sister-in-law Pam Dean of Richardson, niece Mary Beth Ort (Rusty) of Richardson, and several great-nieces, great-nephews, and cousins.

The Hale family wishes to thank the medical staff of MD Anderson, Texas Oncology, UT Health Tyler, The Hospice of East Texas Home Place, White Oak ISD, the church families of White Oak Baptist Church and Pine Tree Church of Christ, and the entire White Oak community for their love and support during the illness and recent home-going of Jack Riley Hale. Words of

comfort may be shared with the family at www.crawfordacrim.com.

A family visitation will be held on Friday, May 6, at Pine Tree Church of Christ from 4 - 6:30 pm. A memorial service to honor and celebrate a faithful life will be held Saturday, May 7, at Pine Tree Church of Christ at 3 pm. The memorial service will be officiated by Jody Garner, Ritchie Hamm, and Michael Heim.

In lieu of flowers, donations may be made to the White Oak Education Foundation, PO Box 797
White Oak, TX 75693.

“ God was very good to put a person like Jack at Freeport Junior High in 1968. He and Paula became such an influential part of my life, as well as many others. They stood for everything a young person needs as role models, Christian values, undying love, positivity and encouragement.
He will be missed by many. Roya

“ Jack Hale has impacted so many lives throughout the years and his time on this earth is a shining example of compassion, caring, education and love for those in his life. Jack's love for his Roughneck family was unmatched. I'm sure you're leading a pep rally in Heaven yelling out "W-O!!" My friend, you will be missed by me and my family. We know that your legacy will continue to influence so many. You set the bar higher than you can imagine.

“ Jack Hale was one of the finest persons I have had the pleasure of knowing. He was a wonderful mentor, friend and encourager. His love for me and my family was evident from the time we met. He treated our children, Ryan and Wendy as his own just like he did all the students at White Oak.

Paula he loved you with all his heart. I will never forget when he sang “The Wind Beneath my Wings” at graduation and said it reminded him so much of you.

On a personal note, he encouraged me when I Opened Willand Inc. and had no idea what I was doing. He never missed an opportunity to tell me how important and compassionate he felt my work was. He served in our Advisory Committee for over 20 years. He often reminded me that my work was part of God’s plan to look after the “least of these my brothers”.

“ So many great memories of teaching under Jack’s leadership in WO Elementary school. He truly loved his students and each of us that worked with him. How blessed I am to have had Jack Hale hire me for my first year of teaching! He made coming to work each day such a joy and I was blessed to have worked with him for 32. He will be missed! Praying for you all.

“ It has been many years now, but when my son, Tyler Wray Talley, was at White Oak High School, Jack was especially kind. Tyler was a very sensitive soul and Jack knew this about him after their first visit together. He often counseled Tyler on how to get through the rigors of high school because Tyler sometimes struggled. They sang together in several productions the high school put on (I especially remember how wonderful they sounded together as a barbershop quartet! And though Tyler passed away in 2015, I am grateful for Jack’s kindness to him and to me. The world has lost a wonderful man. I know he and Tyler are praising before the throne.

“ Jack came to Freeport, TX in 1968 to coach football and teach. We were his first team in 7th grade. He went with us to high school and became a life long friend. He was only 10 years older than us, which was huge then, but that changed as we grew up. Jack and Paula were and are our God parents, continuing to attend our class reunions for decades. He taught me math, and was my Sunday school teacher, football and track coach, mentor and lifelong friend. He once told me "boy I was all over you". Wise beyond his years, and an honest sounding board for a young man to spend time with. He will be deeply missed.

“ Jack and I go back a long way. The last time I saw him was at a class luncheon. I was so surprised that he told his grandchildren that he knew someone with a Halloween birthday. That someone is me. I just always thought I would see him again. I love you my friend and you will be missed by many. Rest in Heaven.
