“ I had the pleasure of being Jack's caretaker over the last few weeks of his life. We had so many laughs together.He always had a great story about his life to tell. Jack truly loved his life and was so proud of his wife, Ruth, and always told fond stories of his children. I miss you already Jack and I will see you again on the other side. I love you Paw Paw.

“ *My thoughts and prayers are with you all as you mourn the passing of Mr. Tully. He was indeed a special man who was loved by many and returned that love freely. He meant so much to so many and now he is with the One to whom he means the most. I love you all!*
