“ Shane and Eric,I am so sorry for your loss. I know that God will help fill the hole that you fill in your heart with his love. I know that the pain and sorrow is great and I am so sorry. Always think of the great times of your life with your mother and the strength that she had during her battle. May God bless you both and your families.

“ Jackie was a wonderful person and a very close friend of my sister, Ginger Gossett. Although I only met Jackie once, Ginger talked about her all the time. I spoke with Jackie several times after Ginger's death and it was like I had known her all my life. Jackie talked about her mother, kids and grand children and it was obvious she loved all of you very much. Jackie will always be with you in your heart.

“ So sorry to hear your loss of Jackie. She was one of the sweetest people I've ever met. I worked with her for years at the hospital and remained friends after I left. She was my daughters (Shea) nurse when she was born 23 yrs ago and always would ask about her when I would see her. May God's presence give you peace during this time of loss.
