“ *What wonderful memories my children have of you, Jimmie and also, Reed. They spent many a summer day in the garden with Reed or in the back apartment with you, visiting. Adrienne also loved playing with your grandchildren. They called you Grandmother and Reed, PaPa. They loved you like you were their very own grandparents. Some of their best memories of growing up were at your house and I thank you for being there for them. You were great neighbors too. We love you. Cindy*
