“ *I am sorry we never had a chance to clear the air. Will miss you always. You were a part of my life for only a short while but your stories of Ramstein Air Base will always stay with me. And thank you for the nice times...starry skies at Stuart and Penny's place and the attack llamas and the trip up to Oklahoma to visit landmarks. Rest in peace. You were a good soul and a dear friend to me. Best wishes from the (USAF) Parker people.*
