“ *What a beautiful tribute video! It captures just the kind of man Mr. Hall was. He was one of my special customers that I have waited on at the bank for years. We became part of each other's lives as he shared family stories with me. And he was kind enough to ask me about my daughter each and every time I saw him. He would even bring me magazines to give to her that contained articles about her line of work being a chef. He will definitely be missed. I hope you can find peace that he is now reunited with his Lillian.*

“ I waited on Mr. Hall at the phone company for years. What a gentle, kind man with a quiet spirit he had as he would come in the office. His calm spirit and kind smile made an impression on me and I looked forward to seeing his friendly face come in each month. Prayers for your family through this valley.

“ Beth & Jason, our hearts are saddened with the loss of your Dad, a gentle giant who could crush you with his handshakes. We loved him, his family and pray God will comfort you and give you peace knowing that he is in his heavenly Father’s presence. He and your Mom were such a special part of FBC Canton for many years. Dean Cornelius wrote that “this made his heart hurt” and I think that speaks for all of us in Canton. We love you.

“ We knew him as "J. R." and are privileged to have his son as OUR son-in-law. J. R. and Lillian did an excellent job of raising their son, Jason and their daughter Beth as intelligent, caring, and responsible individuals who set high standards for their own offspring. J. R. and Lillian can look down and observe their efforts with pride.
