“ I would like to give my heart felt condolences to all of the Seelbach family. Mr. Seelbach will be greatly missed. I had the honor of caring for this precious soul during his time of need. He brought such joy to my heart and I always looked forward to seeing him daily. No matter, how my day was going, he always made me smile. I will miss his hugs tremendously and him telling everyone that visited I was his "girlfriend." He was truly a blessing and I will miss him terribly. I had the honor of spending time with the whole family and enjoyed visiting with each and everyone. I would just like to thank all of you for sharing him with the staff at HHRC, we grew to love him very much. May God be with you in your time of need. He now has his wings to represent the angel he truly was. God bless all of you.

“ *We loved Cotton and we love Dorothy. This couple was one of the first I met when David and I were engaged. David and Gene were high school friends. I knew Dianne from HISD. Sweetest person ever, just like her Mother Mary. I worked with .Mary at Kindergarten Cafeteria. I served and helped Terry every day at the High School when he came thru the lunch line. Of course we have known Jane and Sara for many years, they were our neighbors at one time. I am sure Jane has been a big help to Dorothy in the last few years, as well as Dianne. We loved Cottons stories and jokes. He was a mess! Always will remember that cowboy hat and that smile! Rest In Peace Cotton Seelbach, you have ran a good race, you have won the race. my true and faithful servant. We will see each other again one day!*
