“ *Jim LOVED big! He had the biggest heart for people and always wanted to help in any way possible. He was also the church photographer. If we had a special occasion at church, you would find Jim with his camera taking pictures. He got the biggest thrill of taking pictures, printing the pictures, and distributing them to those in the picture. I have one that he took and I will cherish it forever! Jim's sense of humor was like no other. Jim will be greatly missed and I will cherish the amazing memories I have of him!*

He made an impact on me during my growing up years and I'm so sorry to hear of his passing but I rejoice that he is home with Jesus. My heartfelt condolences to sweet Sue and the rest of the family. He was/is a giant of a man. I can not wait to see him again. I wish I could make it to his service but will be thinking of you all and praying for comfort.
