So sad to here of the passing away of James Phelps, I've known James for 56 years and we graduated high school together. We both worked in the oil and gas industry for many years although not for the same company. James will certainly be missed by family and friends with my thoughts and prayers going out to them. His brother Steve Phelps and I are friends and I would especially like to say to Steve that I'm very sorry for your loss God bless you and your family.

“ I am so very sorry for your loss. James was always upbeat,
laughing and truly cared about everyone. Him and Barbara both
used to come to my parents house and enjoyed the swimming get
togethers. Both were very unique and they knew everyone and
would help if they could. I'm sure I have pictures somewhere and I
will look. I know family meant everything to them. Praying for the
family and friends. My mom also sends her condolences. 💜🙏💙
