“ Both Mr. and Mrs. Risinger taught at Leverett's Chapel when I was in elementary school. I had Anna Jo in the 6th grade and James in the 7th. Then of all things, when my family moved to Deer Park in 1973, James hired me to work at Deer Park Elementary. They were very kind and wonderful people and their daughters can be very proud of them. My thoughts and prayers are with you.

“ Mr. Risinger was a dear friend and wonderful mentor to me. I attended church with them at DPUMC. When I started working in Personnel in Pasadena, he "took me under his wing" and guided me. He always had time to lend a supportive ear. May God bless your family in this time of sorrow.

“ Risinger Family: I was saddened Friday when I received the call informing me of Mr. Risinger's death. Our 50th class reunion was Sat. evening and Mr. Risinger had called and said that he planned to be there. All were saddened to learn of his passing. We came through their class in the 55-56 school year and were privileged to have these two great teachers. Mr. Risinger was also my seventh grade football coach. I regret that I was unable to attend the memorial service. My sympathies to the family. Johnny Gathright

“ Beth and Clay; Roland and I know that you will have loving memories that will comfort you during these difficult times. Beth, you are lucky to have had this time with your parents in their later years. I didn't realize the vacancy I would feel when my Dad passed away in 1997. I know you were very close to your parents and I am thinking about you now as you get ready for the service. Love Sharon and Roland Escue

“ God bless you all with wonderful memories of James & Anna Jo. We will never forget all they have done for Julie. I will always remember the swimming trips with Anna Jo. We had such good times together in Sunday School and Anna Jo's Friends in Fellowship on Thursdays. They will both be missed in Deer Park.
