“ *Buck,  
My deepest sympathy to you and your family. I thank God everyday for Jane, you, and your family. Y'all have done so much for my boys and I that we will be eternally grateful for. I couldn't have asked for a better family to have become a part of. I am going to miss picking up my McDonald's to find myself eating in at your home to catch Jane up on all that has been happening. I'll miss going by to see her working on her garden and worried about me getting dirty cause I showed up in my work clothes. Also for all the times she called me Addy cause I would call her in early morning cause I forgot supplies for an activity in my classroom. She was always so quick to help when I called. She had such a huge heart and only wanted the best for her family and friends. Thank you again for welcoming me in to your family Mrs. Jane and Buck. I will always keep her memories close to my heart.*
