Neysia Walkup

“ He came into my life when I needed him most and vice versa. I got the privilege to see a side that most didn't. I knew his soul before I knew him. A yr and a half is what I got. It doesn't matter who knows what or believes what. I knew and so did he. I saw nothing but the good. I knew the bad but unconditional is unconditional. May the angels be with u darlin and may ur memory forever live on. I love u from the bottom of my soul and w every ounce of my heart. Until we meet again I know u will not be far!!!!;;

“ Remeber him throughout his life. Was always smiling and happy. Can still remeber when he was very young and he slept with his dad's hunting jacket for so long that he ended up using a small piece of the camo to sleep with. My condolences for all of the family. He will be missed. Spread your wings and fly now, will see you on the other side.
