“ Family,
Jean was talented in many areas, bur the one special to me was gift wrapping. I worked several years during holidays to earn money. I can do "fancy," but Jean could do fanciful, unique,original, anything --all perfect for the gift . In 1986, she wrapped five reams (FYI: 500 sheets per) of notebook paper for graduation gifts I was giving. No paper, just yards and yards of colored ribbon. Perfect, of course. Her Pumpkin Patch bake sale items drew us in before we knew what they were,. We all were fortunate to have her in our lives and are better for it.

“ Jean left this world a better place by the beautiful family she graced this world with. You all will carry on her memory, her joy and perhaps some of her passions. I pray that as she is now able to laugh and sing in heaven, you will be able to laugh, sing and share memories of her love. You are all in our prayers, Colleen and Bernie Lynch

“ I always enjoyed visiting Harris Printing and seeing a smile on Jean's face, especially after she had won some kind of sweepstakes. She would advise, “can't win if you don't enter”
