Oh, Mrs. Jean. We had so many long talks about you, me and your daughter Carolyn. I can't say I understood everything you told me but I know you were honest and speaking from the heart. You were one of the sweetest strangers I had ever met and am so glad that our friendship grew. You earned that extra jewel in your crown. You were a special lady and I will miss you. Thank you from the bottom of my heart for all of your heart felt love.

“ Ms Jean..... the one to call for advice, helped at church and sang in the choir, one I could ask to pray for me, helped making food for the less fortunate in Mt Enterprise, my bow maker!, her and Honey were my pear picking friends, when I needed a hug, laugh, or just someone to listen she was there! Always ending the phone call with “I love ya lady bug” Ms Jean had love for everyone and I know everyone loved this Special Lady!
