“ *Uncle Jean was always so kind and sweet. I loved going to their house as a child. I remember how proud he was of Turner. When the house was being built he and Papa took me back to see it. I was too young to understand what they were talking about but I knew he was excited and when it was finished he was so proud. As an adult he invited my children to go pick vegetables in his huge garden and they came back to Tucson and told their teacher about how fun it was. Even flat Stanley got to visit Uncle Jean. My daughter Alyssa keeps his and my grandfather's picture of the 2 giant catfish they caught on her book shelf. He was a wonderful man who made all his family feel important. Aunt Beth, Turner and Kellie, we love you very much. I wish I could be there to give you all hugs. Love, Crystal Robles*

“ *The wonderful spirituality that Jean embodied will continue to be expressed forever as he exemplified the qualities of love, kindness, integrity, generosity and all the goodness that can be manifested here on earth. Thank you, Jean, for giving us so many fruitful years here as you will continue to do so in your heavenly state. Be assured, Beth and Turner, that he is the bright light you will see daily, as he watches over you continuously.*
