“ Joe and Julia, I have been gone this past week and just found out about your mom. She was a special lady whom I admired alot. Visited with her a few weeks back when she came to Striker to eat. It was good to see her. I know she will be missed. You will be in my thoughts and prayers.

“ Hello, from the Danny Odom family. We are thinking of you at this sad time. Wanted to see you all again. However, if we don't get to stop by, tell Wes hello. Of course, we are thinking of you the kids, Julie and Joe. Tell the whole bunch we are thinking of them. Singing a song in my heart for happy memories. Danny and Elizabeth Ann Odom

“ Dear Jean, I remember your white uniforms and starched hat and the leisure lodge. I remember you walking into the room of Gail Clarck and I smoking, when I was but a 13 and a volunteer there at leisure lodge. You just shook your head and closed the door. I knew we were in trouble. you had such a kindness of your nature. I believe in my heart that you are laughing at this remembrance.
