“ *I have to say I am deeply saddened to have just learned today (3/11/21) that my old boss and friend has left us. I first met Jerry in 1999 after I started working for the Rusk County Sheriff's Officer as a Deputy. I liked Jerry from the first time we met and from then on we were good friends. In fact, I eventually left the RCSO to go to work for Jerry driving wreckers and Hot Shot trucks. Jerry did some crazy but insanely funny stuff. I used to laugh at some of his pranks and jokes until I hurt. I always have and always will say he was the best boss I ever had and the funnest guy to be around. May you now rest in the arms of our Lord, Jesus Christ and have forever peace old friend.*

We loved Jerry. He was a very sweet man. Whom loved helping others. He has helped me several times. Running out of gas and coming to pick my car up and unloading it right beside a gas pump. That was just one of the several times he has come to my aid. Not charging a dime. I'm so very sorry we missed is funeral. I was with my Mother whom was dying also. I wasn't leaving her side. Our prayers are with you Carla.

“ *What a great and loyal friend Jerry has been to me since I met him in 1983. I met him and Scott Hammett way back then when I was a MATCO Tools distributor. We were all so young and they got on my truck and paid cash for lots of tools every week. I went home and told Grace there were two high school boys meeting me at the car wash, buying tools and they were my best customers. She didn't believe me until she rode with me and met them. \$200 or more every week.*

Jerry and I worked into different lines of work but still ended up in similar paths. He got into the Towing and Wrecker business. I got into Environmental Services. Our paths crossed again when I bid and won contracts for local TXDOT Incident Response and started cleaning up diesel spills from Truck Wrecks. Both of us did well with these activities and Jerry always said, "I've always made money doing business with you. Let's keep it going". So we did.

Jerry taught me how important it is to be a man of your word. He didn't take kindly to those who lied or cheated. He also taught me that sometimes the best answer to give is no answer at all. Silence can be very powerful as a response. I have seen it used effectively by the man himself.

I have met many people who consider themselves a good friend to Jerry. I am amazed at how many people he has helped over the years. He has helped me build a career that has fed my family and employ dozens of people over 17 years. I miss him already but I see much of his character in his two sons, Kolton and Jerry Lee. I am now enjoying working with them over the last 18 months or so during their father's illness and passing.

Godspeed, Jerry. You and I prayed together. I know you made the decision for Christ. Where you are there is joy unspeakable, and full of Glory. We will see you in the air on that day!

“ I have so many memories of Jerry just don't know where to start. One of my favorite memories is when he worked for Scott Hammett on Kilgore Highway. I had stopped by the shop early one morning just to visit. A Ford Ranger backed in the shop with a 6 cylinder engine in the back Scott asked if I would help him unload the engine. We got the engine picked up and when we turned around to set it in the floor Jerry had picked the old one up and carried it over and put it in the back of the truck. Jerry got a big grin on his face when I commented on helping him carry the engine. Thin Man I'm sure glad Scott was here to help you he said and grabbed me and squeezed the stuffing out of me. Well from that day on we would tell each other jokes and just have fun. Jerry was big and strong but he also had a certain gentleness about him. Rest in peace my friend I'm gonna miss you.

“ *Jerry came out to the house to pull out our tractor that was stuck in the middle of the pasture. He pulled the tractor out, then he was stuck! We then pulled him out. We had a good laugh. He was a good man. He will be missed.*
