“ *There are way too many memories of Jerry and Mike to share on here. I doubt there's a person who knows them that doesn't have more than one to share. I just want all of the family to know that I love you all, I have you in my prayers that you might find comfort and peace and allow the Lord to carry you all thru these difficult days ahead. His suffering is over now and he will hurt no more. If I can do anything for any of you, please let me know. Much love, Barbara Jo*
