

Mr. Jerry Parker

May 24, 1959 - July 17, 2024

Mr. Jerry Parker, 65, of Marshall, passed away July 17, 2024. He was born May 24, 1959 in Salt Lake City, Utah, to the late Raymond Glenn and Betty Marie Parker.

Jerry was a man that was many things. He was a husband, a father, a grandpa, and a friend. He was a person that people gravitated to even though he was tall and had long hair. Children loved him. He was known for making people laugh, sharing his plethora of useless information, helping others, love of camping, hunting, his ability to talk to anyone, and his love of music. He loved his family and friends, but his grandchildren were the light of his life and he loved teaching them how to swim, fish, work with tools, and many other life skills. He was not only their Papa, but their best friend.

He will be missed by friends and family near and far as he had a way of connecting with people. He also cared deeply about his Lowe's work family, the contractors and the customers that would seek him out for assistance, advice or a good laugh. He would come home from work with a smile on his face and a great story to share. Thank you to all that touched Jerry's heart. Please know that he cared about you deeply.

In addition to his parents, he was preceded death by his sister Donna Jessup; and daughter Heather Parker.

Survivors include: his wife of 37 years Julie Rawski Parker daughter Brittany McElaney and husband Rob of Mt. Enterprise, and son Nathan Parker and wife Wendy Betancourth of Kearns, Utah; brother Ray Parker and wife Laurie of Cour d'Alene, Idaho, and sister Terrie Parker of Kearns, Utah; seven grandchildren, Skyler Parker, Jayden McElaney, Marley McElaney, Rohan McElaney, Cyrus McElaney, Scarleth Betancourth, and Astrid Betancourth.

“ *Jerry was part of our Lowe's family and we miss him terribly!! Our hearts are broken! He was such a funny man. Jerry was fun to work with. You never knew what was going to come out of his mouth. He always had a story to tell. He talked about his family and stories from his Navy days. Jerry would come to Customer Service a from time to time to see if the ladies needed assistance with any angry customers. His size was intimidating, but his heart was even larger... We were truly Blessed to have him in our lives. We love you and we miss you my friend. We are all Praying for your family and friends.*

“ I had the pleasure of working along side Jerry for over 2 years. He was by far one of the best supervisors Ive had the chance of working with. There is nothing he wouldnt help with. He was a very smart and funny man. He always found a way to flip a frown to a smile. He will be greatly missed. My prayers go out to your family in this tragic time. Please know Jerry will never be forgotten ☐

“ I only knew Jerry from my trips to Lowes in Henderson. He was always very helpful and knowledgeable about where items were and always gave me excellent advice when I would ask him about tools I use in my business. He was always busy doing his job. He was easy to spot in the store, you just had to find the tall guy with the camo vest and shorts! He will be missed for sure! My prayers go out to his family and co wokers.
