“ *I grew up knowing Jerry, his brother Curtin, his parents and "Mikey". Jerry was in my brother's class and one of his best buddies. I remember that he was always funny. His parents started a square dancing group of 10 year olds and we performed at the halftime of basketball games and on talent shows. His mom was my girl scout leader. "Mikey" was one of my best friends. My mother was in his hospital after a fall in 1996. Jerry stopped by to visit her. That was the first time to see him since I was like 12 years old. I thought that was so thoughtful of him to take time to viisit her. My heart and prayers go out to all the family.*
