Jess was my nephew. I am the only living aunt on his Mothers side. How I would love to be there to celebrate Jess's life with all of you. Distance and health hinder. Love knows no boundaries and our spirits soar in thanksgiving that Jess is breathing easy and rejoicing in Heaven with Jesus! Amen

“ *I only had the pleasure of knowing Jess through my job for the last 6 years. But he spoke to me as if we had been friends for years. He always had a smile on his face and was ready to do what was asked of him. He always asked how I was doing, and we would joke with each other everytime he came to the plant. He was a very nice man that I enjoyed working with. I know he will be missed by anyone who was fortunate enough to know him. My condolences to his family.*
