“ I have so so many wonderful memories of Jimmie. As Julie's friend, Jimmie always made me feel like a part of the family. It was such an awesome coincidence when Julie & I found out that my mom Neva and Jimmie had been good friends for years & even car pooled to college classes together. I'm so sorry for the loss & pain that the Wilson family is going through. I pray God sends blessings, comfort & strength during this difficult time. I know Neva & Jimmie are having a wonderful time together again! Sending my love to y'all,

Jimmie was my best friend through school and we shared so many memories from raising children to sharing recipes and happy times to problems to losing loved ones we were there for each other. She was such a great loving mother and loved her family as much as anyone could. She will really be missed by all who loved her. Bob our Prayers will help you and the family get through these lonely times and prayers will really help make this transition process easier. One day at a time. God Bless you all Merlene Ainsworth
