“ Wendy and Melissa,

*My dad and I were saddened at the loss of your dad. While we didn't know him, he must have been a very special man to raise two kind and compassionate daughters as you two are. Take comfort in knowing that your dad is in a place where pain and sorrow are non-existent. You and your family are in our thoughts and prayers.*

*Take care,*

Thank you John! He's been sick for so long and we have been so concerned with that, we haven't had a chance to think about the past... This past week has brought forth good times, even in our sorrows, as we shared our memories and remembered the good times we had with him! Yes! He will be dearly missed!
