I never got to meet Mr. Trimble but spent many years growing up with his wife Mary Ann. I always knew how special she was so naturally her husband would also be special. I know he will be missed terribly by all his friends and family.

“ I'll always remember Mr Jimmy from the hospital. I would talk to him while he was getting himself and his wife lunch. He was always interesting to talk to. I will also remember him as someone who always remembered names. There's nothing like being addressed by name and his memory for names was very impressive. I will miss Mr Jimmy. May God's peace be with you.

“ Mr. Trimble was by far one of my most favorite person to see walk through the door. His smile and laugh was contagious. He always had some interesting story to tell me. I always looked forward to seeing him. I am so honored to have known him and been his one and only G-Ray. He will be greatly missed but has forever left an imprint on my heart.
