“ To Robert, Keith and all of the family, I was sorry to read of your loss. Jo Ann was a woman I was proud to have been friends with through the years. She had seen more painful things in her life than most will ever see, but she never gave up. She was a special woman and I am glad she is now in a far better place. Norris-

“ My sincere sympathy to all the family. May the Lord be with you during this sad time. I think of all of you often and still enjoy the beautiful recording of the song Jo Ann wrote and often sang at Sulphur Springs Church. I will always be grateful I had my recorder with me and then surprised her by playing it for her. She was a very special cousin and know she is with the Lord and her loved ones. She is no longer in pain and breathing freely. Love, Anna Beth

“ I would like to take a moment to let all of Mrs. Owen's family know that she will be dearly missed. I had the honor and priviledge of being one of her nurses on Hall 500 @ Autumn Leaves Nursing Home. Though she was tiny in her stature, she was 10ft tall, and with that angelic smile came that big heart that was explosive for the love of her family. I so much looked forward to seeing her every day and the way that she would "point her finger at me and the time we spent together listening to Willie Nelson songs"....I am honored to have shared time with her on this earth, even though I hadn't known her long, but I look forward to that smile she so possessed when I get to Heaven and I know she'll be pointing her finger at me when I see her again. I know your loss is great and I send my prayers and blessings to each member of the family whom I had the honor of meeting and to all those I didn't...you were all loved by Mrs. Owens more than you could possibly imagine. From all of the Hall 500 staff and all of Autumn Leaves, we are sorry for your loss! May God bless you all!
