*Aunt Jo had a heart of gold. So many summers were spent in Galveston at her condo. She absolutely loved going to Joe's Crab Shack to watch all the servers dance on the tables. I'm surprised she didn't get on the table with em! And Budweiser, she loved it and she could out drink anyone from sun up to sun down. I think it was just another form of water to her. I've always admired her positive attitude, her classy presence, and her taste in art and design. You will be greatly missed, Aunt Jo!! Love you and we'll see you on the other side!
Love, Clay (great nephew)*

“ We had so many great times with Aunt Jo. She was such a great person. We shared so many years of vacation together at her place in Galveston. We all loved her and she loved us. I'll never forget listening to all her great stories-especially her funny experience with John Wayne. Love you, Roger (nephew)

Aunt Jo is an angel. She is pure love, joy, caring and fun. She was part of our core family growing up. Virtually every holiday was spent with Aunt Jo, Uncle Bill and Grandmother, even though they lived far away. We'd take turns packing up and heading out to gather the family together. I'll never forget our huge family reunions, trips to Houston and those wonderful Galveston adventures. Whenever Aunt Jo was in the room, everything immediately got cheerier. She was always positive and pleasant to everyone. She loved her dogs. She loved the Astros. She loved Uncle Bill. And she loved us and her great nephews. I love you Aunt Jo. I'll miss you so much.

Your loving nephew,

Keith

My family and I have so many great memories with Jo and Swampy. She was so much fun, I enjoyed listening to her childhood stories from Walters Ok. She was my moms best childhood life long friend and second mom to me. She was always so positive and supportive. I'm going to miss her dearly. See you again someday Jo, I love you!
