

Mrs. Joan Bridges

February 8, 1946 - December 10, 2024

A Celebration of Life service for Mrs. Joan Bridges, 78, of Henderson, will be held at 2:00 p.m. on Tuesday, December 17, 2024, at First Methodist Church of Henderson, officiated by Rev. Mike Mayhugh. Family and friends are invited to gather in the Great Hall following the service to share memories and offer condolences.

Joan will forever be remembered as a vibrant and loving presence in the lives of all who knew her. She was a dedicated teacher, cherished friend, devoted sister, beloved wife, and a treasured aunt, mother, and grandmother. Her warmth and joy filled every role she embraced. Joan had a unique ability to make everyone she met feel like an instant friend. Her radiant smile and infectious laughter will be profoundly missed but will live on in the hearts of all she touched.

Mrs. Bridges passed away on Tuesday, December 10, 2024, in Tyler. Born on February 8, 1946, in Henderson to the late Jay Brown and Ora Lea Griffin, she led a life filled with passion and dedication. She was the owner of the East Texas Twirling Academy for over 50 years, shaping countless young lives with her talent and enthusiasm. A graduate of New London High School, she attended Stephen F. Austin State University, where she served as the Head Twirl-O-Jack and later became the Choreographer for 37 years. In addition to twirling, she was a competitive USTA tennis player. Joan was also a devoted

member of the First Methodist Church of Henderson and sang in the church choir.

In addition to her parents, Joan was preceded in death by her brother, Jerry Griffin. She is survived by her husband, Terry Bridges of Henderson; her sons, Brad Bridges, and Clay Bridges, both of Henderson; her sister, Patricia Bridges and husband Jerry; her brother, Gary Griffin, all of Henderson; her beloved grandchildren, Cannon Bridges, Madisyn Elliott and husband Kane, and Bradley Bridges; and numerous nieces and nephews who held a special place in her heart.

In lieu of flowers, donations may be made to First Methodist Church of Henderson, 204 N. Marshall St., Henderson, TX 75652, or to the Bridges Cemetery, 1307 Westwood, Henderson, TX 75654.

Joan's legacy of love, kindness, and laughter will remain an enduring inspiration to all who knew her.

Words of comfort may be shared with the family at www.crawfordacrim.com.

“ Mrs. Joan was an absolute legend and a huge influence on the lives of so many young women. She was a wonderful example of poise and confidence, and I will forever remember her putting red lipstick on me on several occasions. I knew her my entire life and have fond memories of the years I was part of ETTA. It was a goal to be immortalized on the wall of pictures in her studio. I still point my toes and stand in “T” position. May she rest in peace. 🕊

“ To Terry, Brad, and Clay - Thank you for allowing so many girls into your lives and home, but especially for sharing Joan with us. She helped so many young women become who we are today. I will always love her for the countless times I shared with her - full of fun, work, talks, and some of best advice - about more than just twirling. The memories of running up to your house on that long driveway for ice cubes from “her” ice maker will always make me smile.
To Pat - she loved you so very much and told me how proud she was just to be your sister!
To Buffie - I just love you beyond words, and must also thank you, too, for sharing your Aunt with hundreds of girls that were lucky just to know her. I’m so thankful you became one more bonus of learning to twirl.

God certainly blessed this world with Joan Griffin Bridges.

“ *What an unbelievable impact she has had on my life! Growing up, everyone knew Joan was the epitome of perfection. She was THE Twirl-O-Jack. Everyone wanted to learn from Joan. I was so fortunate to have her as a twirling teacher. Her choreography was what made me achieve a level one at State UIL and Outstanding Performer from every State Judge I ever had. I now have been a State UIL Judge in twirling for 17 years. Every year I judge I think back to her guidance and how I would not be in that position if it were not for Joan Bridges.*

I am a lawyer because of twirling. The hard work, discipline, and dedication I learned through twirling, I applied to law school. I didn't learn it in classes in high school or college. I learned it on the scalding hot asphalt parking lot across from the William R. Johnson Coliseum twirling batons.

In today's universities enrollment is a high topic of discussion. I know that there has never been an English, Math, or Science Professor who has ever recruited for SFA the way Joan Bridges did. There is no telling how many hundreds, if not thousands, of young women attended SFA because of Joan Bridges. There are women in this world who received a college degree because of those batons. And the ripple effects don't stop there. Their daughters and their daughters will see that every woman is capable of obtaining a college degree.

Joan's love and dedication to the art of baton twirling has inspired so many girls who grew into women. I know the lessons they learned from Joan they have applied to their work and family life just like I have. The effects of what she did will be seen generations into the future.

God Speed my dear teacher!
