“ *Smiles and Humor!*

Regardless of Joan's pain or suffering through illness, she always found a way to smile and make others feel better. My aunt was selfless. Her humor always made me laugh.

She will be missed by all those she touched along the way. I hope it is solace knowing that she is always with you in your heart and in memories, and that she is no longer in pain.

*Love,
Vita Rouse Taylor*

“ I will dearly miss my sweet mother in law. From the moment Mark and I met, she was extremely welcoming and loving to me. She taught me about family, family gatherings and included her sweet sense of humor and love with it. She was an incredible cook and homemaker and the most devoted wife I believe I have ever known. She has left me with a wonderful family and an incredible husband. Her children were the result of her life's work and she did a dynamic job on each of them. They have all grown into very happy, life loving adults. Each of her children share the same love of family that she so sweetly instilled in them. The remarkable thing about her children is how they stay close to one another and have never been divided by anger. This is such a rarity in this day and time. I will miss you, sweet Joan. Thank you for this family and the love that you instilled in them. I know heaven is amazing.....

“ When I was 11 and 12 One of the sisters rolled my hair weekly for a big \$.35 on bobby pins. I had the pleasure of knowing the mother and sisters. They were wonderfully kind and understanding. I lived on East Houston and they lived on Sanders street. We had a good neighborhood of a mixture of children.
