“ *One of the sweetest Ladies you could of ever known. She will forever be missed by the ones that knew and loved her. Her and Uncle David had one rule when you were at their house and that was let a kid be a kid, they really didn't a lot of rules at their home, go outside and play, just don't break anything important and don't kill each other. I never knew anyone that loved her family like she did, especially her kids. I was lucky to get to be a part of that family, for a while. I treasure the time that I had with her and Uncle David, so much. I love them both. Rest in Peace Aunt Jo, you were always my favorite and I will always love and miss you. Your niece JLene*
