I was at the time just a kid wanting to buy my 1st car. I had no idea all the amazing relationships I would build while working there for John & Bonnie. Sending so many prayers to the family. ❤️*

“ WOW, not even sure where to start.

John hired me as a cook when I was in high school, back around 1982 or 1983, and I worked for him thru finishing up Jr. College at Kilgore in December of 1986.

John was a boss as well as a friend. We spent more time together than I think I spent with my family. We had some great times, and a few fiery ones over the years, LOL.

From Wilma, Kelvin, Jill, Cheresa, Bernise, and so many more of the employees that I just can't think of at the moment, I know John will be missed, and that he left us way too soon!!!

Peace be with the family and may you find some comfort that John was so well thought of and so many people could call him a friend. We had some great times during our Douglas, Dogan and JT days. We became even closer as frat brothers through ATO's at TJC. I will miss you my friend.
