Just viewed the slideshow of JTG III. Enjoyed seeing photos of Johnny from his life after I knew him, but was especially moved to see the one of a twenty-something Johnny tending a campfire. I'm sure that was taken at the old Hammett farm by the Trinity River, on a campout with my family when I was 13 or 14. It was a wonderful time with "Peanut" I'll always remember. Thanks > JRS.

“ Thank you Gerry and Dan for your service and sharing with us. I enjoyed listening to John talk about the old days. He shared these with me, I think because he didn't think that I believed he slept in a cemetery or bathed with folks walking by. Miss him dearly. Missy Parker

“ I too served with John in Bravo Company 1968 Vietnam. John was a radio (RTO Kilo) in my CP Group along with Dan Catanese. We all from Bravo Co will be joining John in the better place one day no doubt drinking beer "33". Always sad to hear of a passing veteran who shared many hot, steamy days on patrol. I'll miss him!

“ John was a nice fellow. Always enjoyed talking to him when he came to Mount Enterprise. I've told his story several times about his brother bringing him a can of some Super Duper wasp and hornet spray. Said he carried it straight out to the barn and sprayed a Big nest of wasp's. He said it just made them mad and they chased him all the way back to the house. Nice Fellow!
