“ *John was like a poppa to me , he was such a kind and gentle man and I loved him like a daddy! I am broken hearted about his passing . I loved visiting with him each week him and Retha (my other momma) came to see me . He loved all his children and grandchildren and great grandchildren as he often talked about them .I will miss seeing him ! I will be praying for all of u as it will be a hole in your family with him gone but I know he is with the Lord as he also talked about his relationship and was a prayer warrior . God be with y'all as y'all grieve his passing .*
