“ I'm Neal Harts granddaughter, I have known Bill and Lynn ever since they moved next door to my grandfather. There are not enough kind words to say about how they watched over my grandfather and helped him do things. Now My sister lives there and they are near and dear to her heart also. I couldn't wait for Bill to plant his tomato crop... i wanted the green ones . Bill also cracked pecans for my grandfather, my mom, my sister and for me. Bill was just a kind and giving man, with the biggest heart. He will be missed.

“ Bill was a friend for years. I worked for him for about 3 years back in the 70's at Brookshires. He ran a tight ship, was nice but he expected you to do your work. He started calling me Daylight back then and always had till now. Probably did cause I had trouble getting to work on time!!!!
