“ I worked for Mr. Mac and his family for almost 18 years. Those that worked years for him felt like part of the McDonald family. He helped a lot of people in his life, including me. As a young child, he reached for the moon and wanted it. I believe Mr. Mac reached for the moon in everything he did in life, being very successful at every endeavor! Now he doesn't have to reach for the moon, he can see it easily from Heaven! RIP John B. McDonald! You touched a lot of lives during your walk in life!
