“ Linda, I am so sorry to hear about Jack. Didn't know about it until this morning at work. I enjoyed working with Jack and we had many lunches and long discussions together. I have missed him the last few years. You could always count on Jack being entirely truthful and honest....something some folks didn't like to hear! I always appreciated him for that...and most of all, for having a big heart! If I can be of assistance to you please let me know. I know how much he loved you!
