“ John and I attended the TAMU tax courses in Overton every year and I always looked forward to visiting with him. I read most of the messages posted here about John and they all ring true with what I knew about him. John and I both graduated from the University of Houston in the early 1970s and I also learned that his mother is the sister of Lois Donner who I have known and admired almost all of my life. Let me say that it was a big shock to me yesterday when I learned that John had died. I will miss his presence in Overton every year.

“ We were so sorry to hear about Johns passing. So young....My mother got a Christmas card returned that she sent to Jean. She and my father were friends with Winford and Jean and I remember visiting Jean and Winford at their home in Bellaire in the late 60's. My mother would like to contact Jean. Her number is 956-399-4768 and her address is 607 South Bowie, San Benito, Texas. Please accept our condolences for both Winford and John. God Bless you all.
