“ *Sweet Renee, my heart is breaking hearing about your passing. I remeber walking to your house and spending hours and weekend by your side. I still remeber when you were diagnosed with type 1 diabetes in the hospital teaching yourself how to give you a shot. All the fun times singing karaoke with you and your mom. We did separate over the years but the last few months were such such a blessing to see your sweet face coming and visiting with you at HHRC. I am sure going to miss you. Love you!*
