“ *Mr. Johnny was always popping in to say hello and check on us at Hammett Wrecker Service. He loved to come by and see if I was keeping the guys in line. He especially wanted to know if I was keeping Alan straight. He always made us smile.. We will miss him Greatly. May our God in heaven keep you all in his care and wrap you in all his Grace and Mercy and comfort all of you. Words can never express or take away the pain of losing you loved ones. My heart is broken for all of you..Praying for your peace and strength. Mark it has been so many years since I have seen you. I still remember your face and smile. I know these words will not take this away, but I only wish you the greatest peace knowing you will see him again in heaven.*
