“ I loved this sweet, funny, christian woman, who earned the title of Lady, in so many ways, for the life and example she lived everyday. I held her hands, washed her feet, laughed, cried, and will forever cherish her busting into my spa saying "Hello Girlfriend", which was always followed by her infectious laugh. She loved glitter, so she was always spreading it, never missing a chance to sparkle. She spread her glitter on everyone she touched, giving each person a reason shine. I miss her so, my Sister in Christ Jolene.
