

Jonathan Holland

March 9, 2005 - November 1, 2023

Jonathan Edwin Holland, 18 years young, was born March 9, 2005, and went to be with the angels on the evening of November 1, 2023. “Johnny Boy,” “Fat Boy,” “John Juan Haun” and “Mama’s Mini Me” will always be remembered for his sense of humor, kindness and work ethic. Those who knew Jonathan have lost a shining light in their lives. He was truly a gentle giant, and we are blessed for the time God gave us with him. We find comfort in knowing he has gone to prepare a place for us in the skies.

Jonathan, the cherished and beloved son of Nathan & Karen Holland and loving big brother of Grayson T. Holland, spent his lifetime in Henderson. From not knowing what to do with a newborn to raising a hard-working, kind and humble young man, his parents are at a complete loss. As a boy, Jonathan enjoyed anything outdoors. From riding his bicycle, jumping on the trampoline and playing with his dog Bailey, he was an active kid and always kept us on the move. You could find Jonathan wearing his camo with “baby bear” and a toy knife in

his hand. His parents taught him how to hunt & fish at a young age and those were hobbies he found joy in. Jonathan's love of nature & the outdoors was alive throughout his life. Jonathan's best times were spent at the races, at the lake, hunting or just hanging out in the shop with his family & friends. Although his soul is in Heaven, his body will spend eternity with his ashes spread in the woods of Jasper along the Neches & Angelina Rivers, in the cypress trees and waters of Caddo Lake and other fond places.

Jonathan attended Henderson schools and graduated in May 2023. For a handful of years, he was part of the fishing league and always seemed to catch the "keepers." Spending time in the shop with his dad, Jonathan learned the skill of welding. He was able to use his talent with metal in creating shop projects, as well as award-winning creative arts pieces for the Rusk County Youth Project Show. In August, Jonathan started the Electrical Lineman Program at Texas State Technical College in Marshall. He wanted to pursue a career that he had seen several family friends be successful in over the years.

Not only was Jonathan talented in many different areas, but he was also a young entrepreneur. Fat Boy Lawn Care is a lawn & landscaping service that Jonathan built and developed over the last few years. All his clients praised him for being such a hard-working boy and many say he had the work ethic of generations

past.

“The hard-working farmer ought to be the first to receive his share of the crops.”

2 Timothy 2:6

Jonathan loved his family deeply and will be missed every day by his parents;

“ When Jonathan was in my 8th grade Career Ed class, he talked me into letting him try out a “real” business instead of the simulated lemonade stand. He made fishing lures and did a great presentation about how he’d made them and how he planned to sell them. He carefully tracked costs and really impressed our fake investors who’d come to see the students. I’m not surprised that he was already an entrepreneur at a young age, and so loved by his community. He was already proud of his family and heritage, and of his future, when I met him. It’s a real heartbreak for us to have lost him.

He made sure to say hi to me every day & was always my math buddy throughout high school. As sad as it is to say he his gone, he made such an amazing impact in this town that nobody is ever going to forget. So many prayers to the families & friends affected this week. □*

“ Jonathan and his crew were professional and courteous while being funny and very dedicated to getting the job done. It was easy to forget their age because of that dedication. They were clearing brush for me and I walked out on carport to check on things and they were using the cut limbs of the mimosa tree as swords. Playing just like the kids they were... as they loaded Jonathan's beloved trailer. I know God has him where he needs to be... but missing him is terrible. May his 18 years of memories bring comfort to his family and friends. With sincere condolences to the Holland family.

“ *Mr. Jonathan Holland was a great young man. I've rarely been around a young man that worked as hard as he did. His grit and determination to be successful was a big success. He owned his own business and he worked hard doing it. Jonathan was a great friend to all and he would help out someone very quickly and without question. He would drive that pickup truck with a trailer to school taking up four spaces (yes, he paid for them), ready to go to work the minute he got out of school. He treated everyone with respect while earning the respect of countless others. Yes sir, the world is definitely a better place because of Jonathan Holland. He had a heart of gold and he was a doer of good deeds for others. Jonathan could answer any question about lawn care and lawn equipment. He could answer them because he used them and was a get after it until the job was done worker. He always walked proud and eagerly to his truck ready to do his part in this world. I would see him and say, "Jonathan, aren't you out here a little early" ? Jonathan would reply, 'Am I ? I'm just trying to get to work ". Lol... What do you say to that ? Lol... Jonathan, thank you for being a great example in life to your peers, family, and community. You will definitely be missed and you will always be remembered. To Jonathan's parents and family, you did one heck of a job raising Jonathan. I would usually share a verse of encouragement and love but I just can't seem to find one. So I'm just going to tell you to lean on the Lord for he's always with you. I pray that he surrounds you with peace, love, strength, and understanding.*
