“ I am deeply saddened with the passing of Jo Ruth. Because of her guidance & love of teaching that I, too, became a teacher. Some of my fondest high school memories are of Mrs. Duran. It was always a joy to see her during my return visits to Henderson. She was not only my teacher, she was my friend.

“ I was so sad to hear of Mrs. Duran's passing. I have so many memories of P.E. class with her as my teacher. I will always remember her walks around the neighborhood and how she was always so happy to see me and talk to me. I think she really enjoyed seeing her former students and talking about what was going on in their lives. I am so sorry for your loss. Margaret Brown Williams
