“ *Joey and Family,
My heart breaks for all of you! Even though I have not seen Case and Trent in years, I still remember when they would come to the house and jump on the trampoline with Austin and Brenna, or when Austin and Brenna would come to y'all's house and go exploring in the woods. I also remember one year(Can't recall what year)when we had got a lot of snow and ice. Our kids were going "Crazy" being cooped up in the house. We took the vehicles outside and closed the garage door so they could play inside out of the cold.
What I remember most about Case was his personality and his manners....Both were Exceptional!! He would say things sometimes that had everyone around him in tears from laughing so hard. He was Always so polite and respectful!! Because he was the oldest, it seemed like to me that he took it upon himself to look out for the younger ones.
Austin and I are praying for comfort for each one of you during this difficult time.
