“ Josephine and I served on the alter committee together for several years. She was the artist, and I was her runner. She was so creative, and just fun to work with. She kept me in stitches with the stories she would tell. She loved her family so much. The 100th birthday party you gave for her was so special to her, and she was so grateful for all of you. I know I shouldn't cry, but I am going to miss her. Lately, our visits have been at Brookdale on Sunday mornings. Her faith was so strong. The world has lost a great lady and a strong Christian witness.

“ I dearly loved Mrs. Thrasher. She was a vital part of our Sunday School class at Brookdale. She always had great insight and a quick smile. She will be greatly missed. I am sorry we will not be able to make it to her memorial.
